With your studies looking a little different this year, we hope these flexible contracts will suit your needs. As our London and Birmingham Campuses are going to be predominantly online based teaching, if you're an international student due to start your studies on our Birmingham or London Campuses, you'll also be able to apply for Accommodation on our Carmarthen Campus if you'd like for your first semester or even longer if you really enjoy our Accommodation and having the Campus life (we think you'll love it!). The flexible agreement will also allow those from Further Education to come and live with us after they turn 18 if they wish to do so! If you have any queries, or questions, please get in touch with our Accommodation Office.
